WELCOME

The months ahead are looking exciting at The Kenton, with a wonderful spring programme of performances and events to look forward to!

Our programme brings together familiar favourites and exciting discoveries. From comedy with **Rory Bremner** and **Milton Jones** to live music, compelling drama and family adventures, there's something for everyone to enjoy. We're especially looking forward to welcoming **Alan Titchmarsh** for a fundraising evening in support of the theatre.

Families can enjoy Immersion Theatre's **Wind in the Willows** this February half-term, followed by Ballet Theatre UK's **The Little Mermaid** and Dantastic Productions' **Mother Goose** at Easter. Local theatre companies will also showcase our community's extraordinary creative talent.

We're also excited to launch **The Kenton Theatre Club**, bringing theatre lovers together to share their passion for live performance, with informal Q&As around selected performances. It's free to join and everyone is welcome.

Beyond the stage, **Kenton Youth** continues to grow, helping young people discover theatre, develop skills and build confidence. I'm delighted that local business Goodall-Smith Wealth Management has become our Founding Partner. Their support reflects a shared belief in creating opportunities for young people in our community, and I'm hugely grateful for their support as the programme develops.

If you'd like a taste of what's coming up, join us for our **Spring Season Preview** on Wednesday 13 January to explore programme highlights and enjoy a glimpse behind the scenes.

As a charity, The Kenton relies on the generosity of our community. To our volunteers, supporters and audiences, thank you. Your support makes our work possible and helps keep this remarkable theatre at the heart of Henley's cultural life.

I hope you enjoy exploring the programme and look forward to welcoming you to The Kenton very soon.

Best wishes,

Lottie
