

# THE KENTON

HENLEY-ON-THAMES

WINTER  
SPRING  
2026

## WELCOME

A new year brings new energy to The Kenton and I'm thrilled to share a season that celebrates everything we love about live performance.

We're delighted to welcome some of the UK's finest comedians to our stage, including the brilliant **Al Murray**, **Mark Watson**, **Ruby Wax**, and **Marcus Brigstocke**. Our tribute nights promise pure nostalgia and great music, including the chart-topping hits of **Ariana Grande**, **Totally Blondie**, **Youryhmics** and the vibrant Latin energy of **Oye Santana**.

For theatre lovers, there's powerful storytelling in **My Life With Kenneth Williams**, an inventive one-man retelling of **Animal Farm** and **Glitch**, a gripping new drama inspired by the Post Office Horizon scandal. Families are in for a treat too, following the success of this year's pantomime, Immersion Theatre return with **Rapunzel** this February half term, alongside the dazzling **Ultimate Bubble Show** and the explosive fun of **Exciting Science**.

This season sees The Kenton host the very first **HoT Podcast Festival**. And, as always, our stage shines with the incredible talent of local schools and community groups.

We're also delighted to have Kate Humble supporting the theatre with **An Evening With...** fundraising event. This promises to be an inspiring night filled with stories, insight and warmth, all in support of The Kenton's future.

And if you haven't got your panto tickets yet, make sure you *hook* them soon before they all fly away!

It's going to be a season full of laughter, creativity and community spirit, and I can't wait to share it with you.

Best wishes

*Lottie*
